“ We loved Frank and were so glad when we heard that he was close enough to visit at the Rochester Manor Bldg. We had lost touch with him over the years after coming to know him through the Mt. Washington Baptist Church. A group of us would go out for lunch together or get together at each others homes. So when we heard he was close to where we lived, we made it a point to take him to church with us and to Bible Studies. It was harder to stay in touch with him once he moved to Friendship Ridge. The young Frank we came to know was such a lot of fun. He loved to clown around with the guys making jokes and laughing a lot. He did his best to tell people about Jesus even when he was unable to get around and he knew he was headed for heaven someday. We are deeply consoled that Frank is with his Savior, Jesus, and is happier now than he ever could be anywhere else. We will miss his phone calls, but we know we will see him some time in the future when our time on earth is over. Our sincere sympathy to his brother and sister whom we never got to know, but heard Frank talk so kindly about.

“ To the family of our good friend Frank,
It is with sadness that we send our sincere sympathy in the passing of Frank. He has been a Christian friend in The Lord since our days in the 1970's at Mt Washington Baptist Church in Pittsburgh. We have kept touch through the years, as we shared the same faith in our Lord Jesus Christ. We know he is now home with his Lord.

We have so many fond memories of times together, the most recent this past Christmas as we trimmed the tree together on his unit at Friendship Ridge.

May The Lord bless & comfort each of you,
Tom & Becky Rock
